Hi All,

I just spoke to Lakita, she suggested that we e-mail these documents directly to Jane this evening, copying Lakita, as Jane won't be getting a copy of the hard book tonight. We may also want to note that these documents only contain EPA comments, HHS is planning to send out the Chair's Summery, WHO Suggested Pledges, and Annotated Agenda with consolidated comments later this evening. Who would be the best person to send these to Jane?

I will also print off a hard copy to give Lakita so Jane has them in her book tomorrow.
